Hi Folks

I understand Syracuse University has a program available which you would like to discuss with Port of LA High School.

I have CC'd one of our counselor's, Lucia Valdivia on this email regarding the topic with the suggestion you send her an email per her email or calling her at 310-832-9201 for a connection.

I just spoke to her to let her know you would be in touch or if you can forward me you cell phone number, I can have Ms Valdivia contact you.

Another option is if you would like to call me on my cell phone, I can get your cell phone number and arrange for her to call you - whichever is easier for you.

Regards,

Gail and Kevin,

Thank you for the opportunity to meet you yesterday. It sounds like you are working on an array of art programs.

As promised, I wanted to introduce you to Roger Cosgrove, one of our board members from POLA High School. He would be the best person to introduce you to one of the counselors at the school.

We look forward to having your presence in downtown San Pedro.

Best regards,

Lorena Parker
